The Deans Marsh Community Cottage has been part of the community for over 20 years.

We can be proud of the community commitment to ensuring the ongoing operation of The Cottage.

We have had a wide range of programs and activities. Highlights including; the Curtain Project, the Footy Shed restoration, Music at the Marsh, the Dog Trials, markets, Run for the Marsh, College of Food and the Festival - illustrating the depth of skills within our community.

The Cottage assists community events to happen by providing administrative support as a legal entity including insurance and assisting with project planning.

Family Day Care operates from the Deans Marsh Community Cottage. This service is one of the most important and utilised services of the Cottage.

The Cottage is a local employer and the commitment of the management Committees over the 20 year history of the cottage has meant they have created employment opportunities whilst acting in a voluntary manner.

Many people have gained skills and opportunity through involvement with The Cottage.
